The competitions / games / matches

Describe the meeting place as vividly as you can:

- Who is here?
- What do they look like? Age, gender, background, appearance, clothing etc.
- Who fits in with us?
- What does the relationship look like between our participants?
- What are the conditions for those who are active? Rules, training places, times, equipment, etc. Is it equal to all?
- Is there anyone who has special privileges in the group?
- How is power distributed in our group?
- Is there anyone attracts more attention than others? If so, what does that mean?
- What language and which jargons are used?
- Is there anything which can be perceived as exclusive/limiting to some? What does that mean?
- Is there something that you need to change or develop? If so, what? What will be your next step?
